Re: Monthly Report – April 2009

Report Summary:

Crime data and monthly departmental activity is summarized with an historical perspective.

Comparative Data:

Assaults increased 41.82 percent, burglaries increased 19.23 percent, and thefts decreased slightly by 4.40 percent bringing the overall total of the April Uniform Crime Index Offenses to 289 compared to 266 in March.

Report Analysis:

There were 78 assaults reported; 14 of those were aggravated. Forty-six of these incidents involved family violence.

Overall, burglaries increased by 5 incidents; habitation burglaries increased by nine incidents. Of the 20 habitation burglaries reported, force was used to gain entry in eight homes and the burglar entered through the garage or an unlocked door or window in eight homes. There were no signs of forced entry so it is unknown how entry was made in four homes.

Building burglaries decreased once again by 4 incidents. Three of the eleven buildings burglarized were in construction sites.

Burglaries of Motor Vehicles increased from 60 last month to 65 in April. Thirty-seven vehicles were entered by force, twenty vehicles were entered through unlocked doors and it is unknown how entry was gained in eight incidents (there were no signs of forced entry).
